wellness

energy work: energy work releases stagnant energy while rebalancing the chakras and aiding in the healing process on all levels of being. once the energy is balanced and able to flow freely, you will experience a greater ability to reduce pain, manage stress, recharge and come from a more grounded place. rebalancing the centers helps bring our energy system back into alignment to create harmony within.
30min \$65, 60min \$120

general acupuncture is a safe and effective way for promoting your body to use its natural reserves for healing and prevention, whether the issue is physical, emotional, mental or spiritual.

acupuncture for infertility Traditional Chinese Medicine has been dealing with fertility and women's health for five thousand years. It is an effective and safe methodology in natural healing.

Facial rejuvenation is a non-surgical, virtually painless method of reversing the signs of aging.

initial consult 90min \$150,
60min \$120
